## Iloa ja oppia riimitellen

Riimipareja voi käyttää monin tavoin mm. aivojumppana ja sanojen oppimisessa.

Riimiparit sopivat myös sanataiteen sytykkeeksi vaikka ikäpolvitoiminnassa.

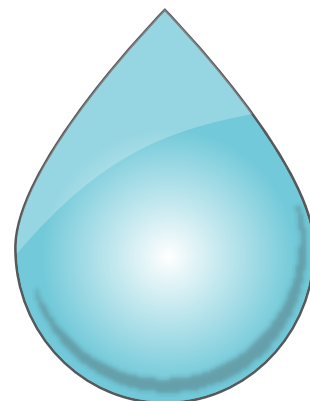

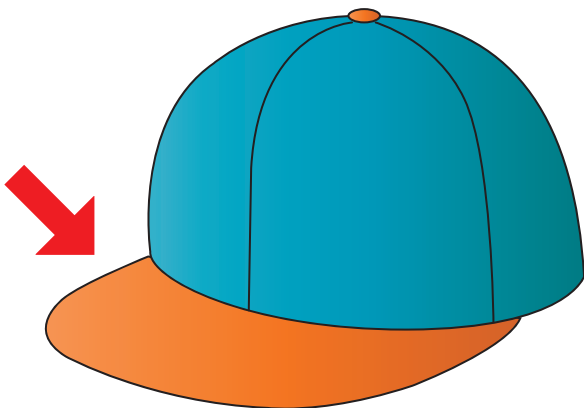

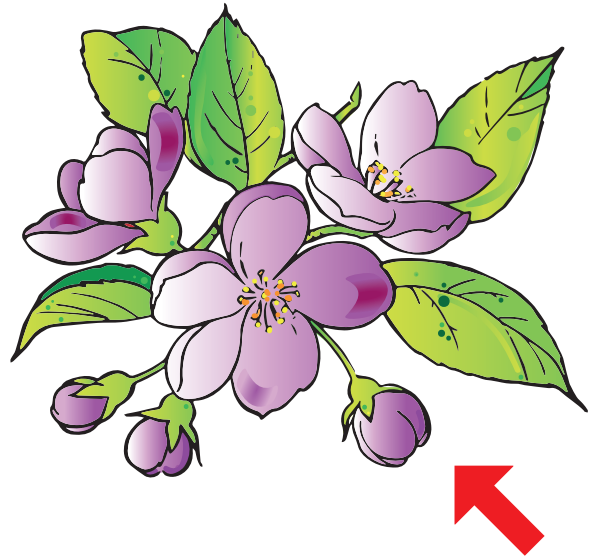

## Käyttöehdotuksia

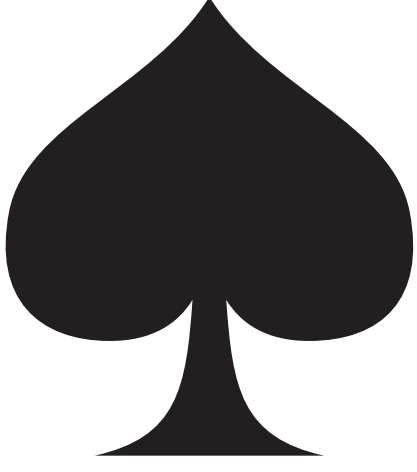

Etsikää rimmaavat korttiparit.

Keksikää uusia riimipareja ja tehkää lisää kuvitettuja kortteja toisten iloksi.

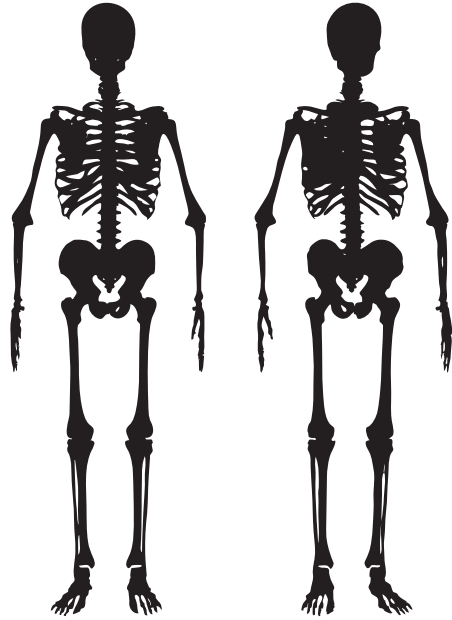

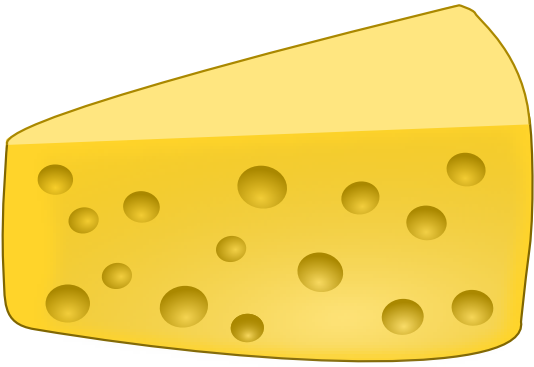

Keksikää loruja, joissa käytätte riimejä.
